

ONLINE MSN

Blessing-Rieman College of Nursing & Health Sciences

Online Master of Science in Nursing Degree

About the program:

Congratulations on your decision to pursue a Master of Science in Nursing Degree from Blessing-Rieman College of Nursing & Health Sciences. The MSN degree program allows you to choose between 2 concentrations:

- Administration
- Education

This will open up opportunities to take on leadership roles or have a direct impact on the nursing shortage by educating future nurses.

Blessing-Rieman is fully accredited by the Commission on Collegiate Nursing Education (CCNE) as well as the Higher Learning Commissions (HLC). We also hold many other agency and state approvals which can be viewed on our website under the About Us section.

Admissions Requirements:

Requirements

- Current RN license
- BSN from a CCNE or NLNAC accredited program
- Minimum GPA of 3.0 for the last 60 semester hours of undergraduate course work
- Completion of Statistics, Nursing Research, Health Assessment or equivalent with a grade of C or higher at the baccalaureate level
- Clinical experience in professional nursing practice
- Basic computer skills

How to apply:

You can apply by requesting an application from the Admissions Office.

The following documents are required:

- Evidence of licensure as a registered professional nurse in any state or territory of the United States
- Official transcripts of all prior collegiate academic work

Please send all information to:

Additional Information:

This program is an online, two year, part-time, graduate level program. Available online services include: student and library services, information technology support, as well as faculty and academic advising. These services are also available in-person if you choose to come to the BRCN campus. The program does include some residency requirements such as on campus orientation.
