

## About the program:

Blessing-Rieman College of Nursing & Health Sciences (BRCN) offers a joint Bachelor of Science in Nursing (BSN) degree program in partnership with Culver-Stockton College, [www.culver.edu](http://www.culver.edu) and Quincy University, [www.quincy.edu](http://www.quincy.edu).

In this program, students will:

- Complete nursing general education and prerequisite courses on one of the partner campuses
- Begin nursing courses as well as clinical experiences on the BRCN campus the sophomore year
- Practice clinical skills at our Simulation Center
- Complete over 700 hours of hands-on clinical experience

The BRCN Simulation Center has 9 simulated manikins which perform an array of life-like functions such as :

- Breathing
- Blinking
- Palpable pulses
- Heart sounds
- Even birthing a baby!

## Admission Requirements:

Transfer students need:

- $\geq 22$  ACT/1100 (Currently Waived)
- $\geq 2.7$  on a 4.0 cumulative and prerequisite courses GPA

To enter as a transfer-sophomore, the following prerequisite courses (with a grade of  $\geq C$ -) are required:

- English Composition I
- Introduction to Psychology
- Developmental/Lifespan/Child Psychology
- Human Anatomy & Physiology I with Lab
- Human Anatomy & Physiology II with Lab

## How to apply:

Begin by submitting the following materials to the partner school of choice:

- Partner school application and BRCN application
- Official ACT or SAT scores (Optional)
- Official college transcripts from each college attended
