

About the program:

Blessing-Rieman College of Nursing and Health Sciences (BRCN) offers an Associate of Science in Medical Laboratory Technology (MLT) program.

In this program, students obtain the knowledge and skills necessary for entry level MLTs performing a wide array of medical laboratory tests, that assist healthcare providers in the diagnosis and treatment of illness.

The MLT program begins in May each year, and is completed in as little as 3 semesters!

MLT courses include in-classroom work as well as 600 hours of hands-on clinical experiences in the following areas:

- Specimen Processing
- Clinical Chemistry
- Hematology
- Serology, Immunology, Urinalysis
- Microbiology
- Blood Banking
- Phlebotomy

Admission Requirements:

- ≥ 22 ACT score/1100 SAT (Currently Waived)
- ≥ 2.5 on a 4.0 scale cumulative and prerequisite GPA
- Completion of the following prerequisite courses (with a grade of $\geq C$ -):

* Human Anatomy & Physiology I with Lab	* English Composition I
* Human Anatomy & Physiology II with Lab	* History, Literature, or Fine Art
* Microbiology with Lab	* College Algebra or Statistics
* General Chemistry	* Ethics
* Speech	* Introduction to Psychology

General education and prerequisite courses may be taken at any accredited college or university.
