

Blessing-Rieman College of Nursing & Health Sciences (BRCN) offers post-master's certification in 2 concentrations:

- Nursing Administration
- Nursing Education

Completion of a post-master's certificate prepares students for leadership roles and/or allows students to have a direct impact on the nursing shortage by educating future nurses.

Each certification can be completed in three semesters from almost anywhere without ever coming to campus. The coursework is 100% online with dedicated practicum hours, which can be completed at a location that is convenient for you.

Available online services include:

- Student and library services
- Information technology support
- Faculty and academic advising

These services are also available in-person on the BRCN campus.

### Admission Requirements & How to Apply:

- Evidence of current, unencumbered RN/APRN licensure in any state or territory of the United States
- Transcript with proof of graduate degree in nursing (MSN, MS, MN, DNP, or PhD)
