Identity Verification

The student must appear in person at Blessing-Rieman College of Nursing & Health Sciences to verify his or her identity by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

If the student is unable to appear in-person, the student can appear on a video call with institutional personnel and present the acceptable identification to an institutionally authorized individual.

If an institution determines that an applicant is unable to appear in person to present an unexpired, valid, government-issued photo identification, the applicant can now have the option of appearing on a video call to present an unexpired, valid, government-issued photo identification to an institutionally authorized individual who will review the identification. The applicant can still, but will no longer be required to, submit a copy of their identification document that is acknowledged in a notary statement or that is presented to a notary. The video call option will require the institution to maintain a scanned copy (electronic or hardcopy) of the identification documentation that includes the date it was presented and the name of the authorized representative that reviewed the documentation. This can be accomplished through a screenshot of the video call that has legible details of the identification.
