#### **Family Size**

##### Dependent Student

Family size includes the following:

- The student.
  
- The student's parents (or stepparent, if applicable), even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
  
- The student's siblings if all of the following are true:
  - They live with the student's parents (or live apart because of college enrollment);
  - They receive more than half of their support from the student's parents; and
  - They will continue to receive more than half their support from the student's parents during the award year.
  
- Other persons if the following are true:
  - They live with the student's parents;
  - They receive more than half of their support from the student's parents; and
  - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size.

#### Parent Tax Filers Verification of 2024 Income Information (Dependent Students)

**Student Name:** \_\_\_\_\_

**Important Note:** The instructions below apply to each parent included in the household. Notify the financial aid office if the parents filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

**Instructions:** Complete this section if the parents filed or will file a 2024 IRS income tax return(s). As part of Federal student aid eligibility, parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

**If 2024 income tax return information for the parents was not available or could not be used, the parents should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.**

## 2026-2027 Aggregate Verification Worksheet

### Identity Verification

The student must appear in person at Blessing-Rieman College of Nursing & Health Sciences to verify his or her identity by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

If the student is unable to appear in-person, the student can appear on a video call with institutional personnel and present the acceptable identification to an institutionally authorized individual.

If an institution determines that an applicant is unable to appear in person to present an unexpired, valid, government-issued photo identification, the applicant can now have the option of appearing on a video call to present an unexpired, valid, government-issued photo identification to an institutionally authorized individual who will review the identification. The applicant can still, but will no longer be required to, submit a copy of their identification document that is acknowledged in a notary statement or that is presented to a notary. The video call option will require the institution to maintain a scanned copy (electronic or hardcopy) of the identification documentation that includes the date it was presented and the name of the authorized representative that reviewed the documentation. This can be accomplished through a screenshot of the video call that has legible details of the identification.
