

CULVER
STOCKTON COLLEGE

BLESSING-RIEMAN
**College of Nursing
& Health Sciences**

**MSN/MBA
DUAL DEGREE**

BRCN students interested in taking their business skills to the next level may choose to pursue their Master of Business Administration (MBA) degree at Culver-Stockton College (C-SC). This dual degree is specifically for students in the MSN nurse administrator track. C-SC accepts MSN nurse administrator courses in transfer and counts them toward the MBA.

Prior to starting MBA courses, students are required to complete the prerequisites NSG 505 and NSG 604. C-SC coordinates all aspects of the MBA program, including admissions, course enrollment, and billing. For further questions about the MBA program, please contact C-SC's Office of Admissions at [573-288-6000](tel:573-288-6000) or admission@culver.edu. To apply for the MBA program, go to culver.edu/mba and complete the application for admission on the "Apply Now" tab.

If you plan to be concurrently enrolled in courses at both institutions, please keep in mind that you cannot receive financial aid from two institutions at the same time. Therefore, you must plan for your financial obligations with both institutions. To help you plan for your financial commitments, contact BRCN's Financial Aid Coordinator. You must also notify Angela Kay (akay@culver.edu) at C-SC if you are concurrently enrolled in MSN courses and provide information about your financial aid status.
